Serving Physicians in El Dorado, Sacramento & Yolo Counties

2016 PRESIDENT-ELECT MESSAGE

The Sierra Sacramento Valley Medical Society (SSVMS) proudly represents physicians in El Dorado, Sacramento and Yolo counties. We are dedicated to bringing together physicians from all modes of practice to promote the art and science of quality medical care and to enhance the physical and mental health of our entire community. We achieve this through: dedicated physician led committees; a 44-member delegation

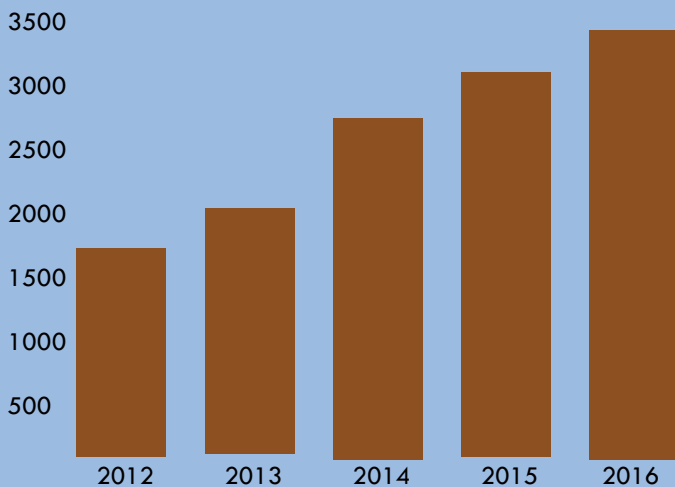

2017 President
Ruenell Adams Jacobs, MD

that develops and recommends healthcare policy positions; programs that help you reclaim the joy of practicing medicine; and finally, philanthropic programs that are committed to supporting the future of medicine and providing access to care for those in need.

In 2016, more physicians than ever became members of SSVMS. I invite you to join, to get involved, to contribute, and to connect with your fellow physicians. Thank you for choosing me to serve as the President of SSVMS in 2017. I look forward to representing you in our community.

SHAPING HEALTHCARE IN 2016

SSVMS advocates for physicians and the patients they serve at the local, state and national level. In 2016, we successfully passed legislation and sponsored ballot initiatives that, among other things, will protect patients by only allowing trained physicians to perform certain medical procedures, decrease the number of children hooked on tobacco, provide additional funding for Graduate Medical Education and increase provider rates in the Medi-Cal program. Learn more at ssvms.org.

MENTAL HEALTH ADVOCACY

SSVMS' Emergency Care Committee pioneered the SMART Medical Clearance Form to promote standardized and expedited medical clearance, when appropriate, for patients experiencing a mental health crisis. This evidence-based and peer-vetted form is being used throughout the region to ensure that patients receive the right treatment at the right time. To learn more, visit ssvms.org.
