

SPIRIT PROGRAM

SPIRIT is a collaboration between Sierra Sacramento Valley Medical Society and Dignity Health, Kaiser Permanente, Sutter Health, the UC Davis Health System, and the County of Sacramento. Working together with partner physicians that donate their time and medical services, SPIRIT provides uninsured people in the Sacramento region the care that helps them lead healthier, more productive lives. In 2016 SPIRIT volunteers donated over 3,000 hours of specialty services to care for 3,800 patients.

SPIRIT volunteer Dr. Ruth Haskins, President of the California Medical Association, shared *"I've been enriched by volunteering with SPIRIT, providing care...Because it feeds my spirit and fuels my passion as a physician."*

We invite you to join the team of SPIRIT volunteers and fuel your passion as a physician! There is a waiting list of SPIRIT patients who are only able to access specialty consults through the services donated by SPIRIT volunteer physicians. We are seeking physicians who can volunteer care, particularly for the following high-demand specialties.

- Dermatology
- General surgery
- Ophthalmology
- ENT
- Gynecology
- Orthopedic
- Gastroenterology
- Neurology
- Urology

A goal of the SPIRIT Program is to enable volunteers to participate with as little disruptions to their schedules as possible. The SPIRIT staff coordinate care between the patient's referring clinic, patient and volunteer physician. SPIRIT volunteers provide one-time consultations and evaluations at their private practices or, at the County of Sacramento Primary Care Clinic with the referring clinics assuming responsibility for implementing the follow up care plan as recommended by the volunteer physician.

The care donated by SPIRIT volunteers positively impacts the health of SPIRIT patients. As one SPIRIT patient shared: *"I had not been to a doctor since I was 18. Words cannot express how thankful I am for all of this wonderful care."* We invite you to learn more at www.ssvms.org/program.aspx and join our team of committed volunteers!

**Contact Myel Jenkins, Program Director, at mjenkins@ssvms.org or (916) 453-0254
to learn more about becoming a SPIRIT volunteer

Sacramento Physicians Initiative to Reach Out and Teach (SPIRIT), is a program of Sierra Sacramento Valley Medical Society (SSVMS).

SPIRIT is a collaboration between SSVMS and Dignity Health, Kaiser Permanente, Sutter Health, the UC Davis Health System, and the County of Sacramento. Working together with partner physicians that donate their time and medical services, we provide uninsured people in the Sacramento region the care that helps them lead healthier, more productive lives.

There is a waiting list of patients who are only able to access specialty consults through SPIRIT. **We are seeking physicians who can volunteer care and treat patients in their private practices, or in county or community clinics, particularly for the following high-demand specialties.**

- Dermatology
- ENT
- Gastroenterology
- General Surgery
- Gynecology
- Neurology
- Ophthalmology
- Orthopedic
- Urology

SPIRIT coordinates all case management and care coordination between the referring clinic, patient and volunteer. SPIRIT services are limited to either one-time consultation and evaluation, or one-time only outpatient surgical care.
