

These three photos were taken just before the opening of the CMA exhibit at this year's State Fair. If some of the items — such as the iron lung and wooden wheelchair — look familiar, it's because they belong to the Sierra Sacramento Valley Museum of Medical History, the source for a number of the items on display.

Get ready to make a splash at Mercy Medical Group, a service of CHW Medical Foundation. Join us to experience a breadth of professional opportunities, as well as enjoy living in the scenic Sacramento area. Ready to dive in?

Partnership-Track Opportunities
Internists & Family Practice

Due to our exciting growth and expansion, our large, multi-specialty practice with more than 175 physicians, is recruiting for outpatient-focused internists and family practice physicians who will utilize a Hospitalist for admissions.

Hospitalists

Our well-established Hospitalist program of more than 20 providers, is looking to add 5-7 Hospitalists. We currently serve 2 major hospitals in the area and will soon be expanding into a third. Hospitalists with Mercy Medical Group have easy access to a wide variety of specialists and enjoy a comfortable work schedule.

Affiliated with Catholic Healthcare West, we offer an excellent compensation package, including a full array of benefits. These are shareholder track positions with guaranteed income, bonus potential and a very desirable retirement plan.
